THE “NEW HAMPTON CONNECTION”

E-mail notices will be sent from this office with dates, locations, and times of Town Meetings, special meetings, special events, and other important town events or information. We hope you will find these notices helpful. These e-mails will not provide notice of regular scheduled meetings, deadlines, holiday hours, general information, etc. For such scheduled information, please check the town website www.newhamptonnh.gov or call the Town Office at 603-744-3559. All public meeting notices are posted at the Town Office and Public Works Department. All town newspaper notices are placed in the Laconia Daily Sun.

Please talk with other New Hampton residents who may not have been contacted to see if they are interested in receiving these e-mails. I would also encourage you to get the “word out” about important information to those who may not have e-mail.

If at some future time you change your e-mail address or you wish to be removed from the list, please send an e-mail to selectmen@newhamptonnh.gov.

Keep Snow out of the Right-of-Ways

The Public Works Department has been working around the clock to keep roads safe during the continuous storms in December and January. As winter continues, we’re asking residents to help us maintain safe road conditions.

Please **DO NOT blow, shovel, or plow snow from your driveway into or across public roads.** These actions create dangerous conditions, slow down road-cleaning efforts, and are prohibited under **NH RSA 236:20.**

Your cooperation helps our crews work more efficiently and keeps our community safer during winter weather.

Sanding in front of mailboxes

As requested by the New Hampton mail carriers, if there are icy areas in front of your own mailbox, please sand that area to allow for safe mail delivery. The Highway Department sands the center of the roadways to avoid throwing sand and salt onto properties.
